### **Blackwater Regional Library Display & Exhibit Policy**

The main library and branches offer their facilities for exhibits to organizations and individuals for cultural and educational purposes. Arrangements for such exhibits must be made with the librarian in charge and may be subject to the approval of the Board. The Board assumes no financial obligation due to loss or damage.

It is the policy of the Board to prohibit any advertisements displayed in the main library and branches unless the project is specifically related to the purpose and goals of Blackwater Regional Library.

### **Artist Exhibit Agreement**

To better support the library mission to meet the cultural interests of the region, The Carrollton Library Art Gallery will serve as a public forum for community engagement and artistic expression. The gallery is equipped to display up to eight pieces of artwork on a track and rod hanging system holding a maximum of 40lbs per rod. If needed, the artist will be responsible for providing frames, labels, and hardware. Dates of the art exhibit will be determined by the artist and the branch manager prior to display. At the end of the display period the artist will be responsible for the pickup of remaining artwork.

Please attach examples of artwork to be displayed in the library as all displays must be approved by management prior to display. The library may prohibit any content with reasonable justification. By signing below the artist agrees to abide by the Artist Exhibit Agreement and the BRL Display & Exhibit Policy. Artists under 18 years old must also provide a parent or guardian signature.
